

Bonnie Aberly

ASSOCIATE

Bonnie specializes in bookkeeping, accounting, payroll, consolidated financial statement preparation as well as business and software consulting and set up. Bonnie consults and works with new clients to train their personnel on tax, reporting, and recordkeeping compliance while continuously supporting current business clients. Bonnie will care more about your business than you do!

Before working in the public accounting area for 17 years, Bonnie's prior internal company positions ranged from controller of a large retail chain, accounting manager of independent insurance agent (where she obtained her insurance licenses in property and casualty and life as well as accident and health), and accountant for a video production company and recycled paper card company.
